Washington, DC 20204

Dear Sir/Madam:

This is a notification pursuant to 21 U.S.C. 343(r)(6) that Standard Process Inc., Palmyra, Wisconsin 53156-0904, is making the following statements:

- (1) Cal-Amo helps maintain proper acid/alkaline balance. This move towards proper pH balance in body fluids enhances both immune and respiratory function.*
- (2) Cal-Amo supports immune function. Among many other important functions, the role of calcium in the diet has also been shown to increase immune efficiency.*
- (3) Cal-Amo helps to maintain proper metabolism.*

These statements are made for a dietary supplement containing ammonium chloride, betaine hydrochloride, calcium chloride, calcium lactate, magnesium citrate, and calcium stearate. The name of the product is Cal-Amo®.

The information contained herein is accurate and Standard Process Inc. has substantiation that the statements are truthful and not misleading.

Sincerely yours,

Ann Holden
Standard Process Inc.
